

**DTE E06MPM**

**EMPLOYMENT OPPORTUNITY**  
**Department of Telecommunications and Energy**  
**Program Manager VI**  
**8/11/2006**

**CLASSIFICATION:** AGENCY NAME: Department of Telecommunications and Energy  
**FUNCTIONAL CLASSIFICATION TITLE:** Assistant Director of the Telecommunications Division  
**JOB TITLE : (M LEVEL):** Program Manager VI  
**ANNUAL SALARY RANGE:** \$41,017.08 – \$85,737.20

**PRIMARY DUTIES:** The Telecommunications Division (TD) oversees the regulated telecommunications industry in Massachusetts. The TD directly regulates the activities of Verizon and hundreds of other local exchange, interexchange, and payphone companies. The primary work of the Assistant Director is to assist in managing the TD, to directly manage and participate in investigative projects, and to train and supervise staff. The Assistant Director is also responsible for the TD during times when the Director is absent. The Assistant Director also is responsible for his/her own caseload, working with or independent of TD analysts on investigations and projects. The Assistant Director also will assist the Director in managing the time and caseload of the TD staff; keep abreast of industry, regulatory, and technological advances; participate in regional and national regulatory associations; and assist the Director in monitoring and advocating with respect to federal issues of importance to the Department.

**QUALIFICATIONS:** Applicants must have at least (A) five years of full time, or equivalent part time, supervisory or managerial experience in business administration, business management, or public administration.

**PREFERRED QUALIFICATIONS:** Managerial experience in the telecommunications industry, preferably in public sector regulatory activity and policy development. Strong oral and written communications, and analytical skills. An undergraduate or masters degree in economics, business administration or law, or a reasonable equivalent educational background. The successful candidate will be required to attend a two week course on utility regulation.

**SPECIAL REQUIREMENTS:** None

**RESUME AND COVER LETTER TO:**

Timothy J. Shevlin Jr., Executive Director  
Department of Telecommunications and Energy  
One South Station  
Boston, MA 02110

**LAST DATE TO APPLY:** 8/22/2006

The Department of Telecommunications and Energy is an Affirmative Action/Equal Opportunity employer. Minorities, women, persons with disabilities and veterans are encouraged to apply.
